Re: Charges still needing to be charged to our account #503915 since Oct 2006

Jusu,

I hope you can help me get these charges applied against our account #503915. We requested that we be charged for one independent extra claim fee #1806 of \$180 and an independent fee #2201 of \$100 for reference #10525110. We were charged the \$180 but have yet to be charged the \$100. I have left several messages for Cynthia and a T. Bentley about get these things charged against us. I am hoping you can get this taken care of for me. The charges should have been done in early October of last year.

Also, on reference #11208462, we need to be charged for the submission of an independent claim of \$180 fee code #1806. This should also have occurred in early October of 2006.

Like I have mentioned before, I have tried to make contact with both Cynthia and T Bentley about getting these charges applied. I have left both of them several messages over the months, requesting assistance. I seem to find that you are the only one who is able to help me with the charges. Thank you for you assistance, as always it is most appreciated.

Thanks again, Jackie
